

# Worksheet – Cryptid Kimber Budget Beest

## Part I: Planning Your Budget

1. Which phone plan and car insurance did you choose at the start of the game? Why did you pick each one?
2. How much did you allocate for food, gas, and miscellaneous expenses? Why?
3. Why do you think rent couldn't be changed?
4. Which camera did you choose to save for? Why?

## Part II: The Road Trip

5. Did you ever run out of money and need financial aid from your uncle? What decisions led to that?
6. Was there a scenario where a choice was locked out because of an earlier decision? Describe what happened.
7. How did you arrive at a decision whenever the game offered you 2-3 different choices that were all WITHIN budget?

## Part III: Reflection

8. What is the difference between a fixed expense and a variable expense? Give one example of each from the game.
  
9. In the game, gas was a need because you were on a road trip. What's an example of a need in your own life?
  
10. How did having a savings goal change the way you played? Did it affect your spending decisions along the way?
  
11. Can you name one fixed expense and one variable expense that wasn't mentioned in the game?
  
12. What is one thing you would do differently if you played again?
